

## **Credit Application Process**

When an applicant applies to Next Generation Energy<sub>R</sub> for a credit account and requests next Generation Energy<sub>R</sub> to extend credit, the following process is followed:

### **Week One**

1. Applicant represents and warrants that all credit information, including but not limited to, the information on the application for credit is true and correct as of the date of this application.
2. The entire form **MUST** be filled out. If there is any missing information, the form will be rejected.
3. Please verify the references are current and accurate so the process can be expedited.

### **Week Two & Three**

1. Next Generation Energy<sub>R</sub> will request the credit information from the credit references given.
2. Inform your references that we will be contacting them. Please allow up to two weeks to complete this process. It could take longer, depending on promptness from your references.

### **Week Four**

1. Next Generation Energy<sub>R</sub> will allocate terms to the applicant.
2. Payments **MUST** be submitted on time. Overdue payments can result in cancellation of credit terms by Next Generation Energy<sub>R</sub>.
